Lady Off to See The Lady

Ernestina, newly revamped after a long and varied career, looks a far cry from the worn ship weary and run-down which arrived in New Bedford four years ago. The graceful lines ride beautifully under a new paint job and the decks and topside gleam as well. The scene on the cover and on page 2 were the activity at Coal Pocket Pier on Saturday morning as Captain Daniel Moreland and crew rigged the ship for sail in preparation for the sail Saturday afternoon to Newport, Rhode Island. The new masts had been stepped at Kelley's Shipyard in Fairhaven earlier in the week and early Saturday morning the craft had been moved across the harbor for the final rigging and stowing of gear and supplies in preparation for the departure which was scheduled for between 1 and 2 p.m. The Ernestina, built in 1894 in Essex as a Grand Banks fishing schooner, will tie up at Fort Adams in Newport to welcome visitors on Sunday. She will participate in the parade of sail on Tuesday from Newport harbor and will sail with the other tall ships in the salute to the Statue of Liberty in the first parade of sail on July 3rd.

week by the police department giving the police officers a five percent across the board increase for each of the three years: 1987, 1988 and 1989 on the base salary.

Other benefits agreed upon included an additional $600. annually for EMT service, and a 30 cents per hour differential for the 12 midnight to 8:00 a.m. shift. Selectman James F. Huntoon, Selectmen's representative on the negotiating team, noted Mattapoisett is unique in that our police department also operates the ambulance service and that is the reason for the additional $600. per year for EMTs.

Selectmen Chairman John N. DeCosta congratulated Huntoon for his dedication to the long extended discussions that included about 11 meetings. On the negotiating team representing the police department were Officer Kenneth Pacheco, Sgt. Philip Marcosa and Attorney Robert C. Moore, legal counsel. Town Counsel Donald J. Fleming represented the Selectmen in the negotiations.

Selectman Huntoon noted the entire police department budget, including all the increases, comes to about $450,000. He added that about half of the total cost was budgeted and voted at the annual town meeting; the balance will be raised at a special town meeting (date to be announced later). The chairman commented the terms of the contract will benefit the town as well as benefiting the police department.

In other business, Selectmen:

MET WITH Fire Chief Donald Wood, who informed Selectmen there was a payroll problem with three firefighters. He related that when he was out-of-town recently on vacation, three men said they had received permission from Ronald Scott to attend a firefighters' instruction class for CPR. The class is

designed to qualify persons to instruct CPR classes. Now, Wood, explained, these men are submitting claims for the time spent at the school. And, to top it all off, Wood said, they bought $10. instruction books. "I wanted to know where they got permission and they said Ronnie Scott." When Wood asked Scott about the permission, Scott said he couldn't remember what he said to the men. Wood explained that when he went on vacation Deputy Chief Walter Morgado was left in charge. For the short period of time Morgado was away working (but available by phone) Scott was in charge, but only for fire call decisions not policy decisions. "I don't think these men should be paid for unauthorized schooling. The men claimed they do not plan to use the instruction capability in town."

Selectmen asked if the department had funds for this purpose. Wood said he has funds for continuing education allowance, and even though CPR is required, an instructors' class is not. Wood said the amount involved would be about $190.; nine hours at $7.10 per hour for three men.

The board agreed they should not be paid because they did not go to the proper authority. Also, the board noted if the three firefighters dispute their decision they must put in a written request to the fire chief explaining their actions, then forward the request to them to consider the expense.

On another matter, Fire Chief Wood informed Selectmen he was going to start paying the firefighters once a month rather than weekly; "this will be easier for Town Accountant Betty Sears and myself," Wood said.

of the Personnel Board, filling the seat vacated when Roy Andrews resigned. Lombard, a former executive secretary to the Mattapoisett Selectmen, was a previous member of the Personnel Board when many of the wage scales were initiated. The vote was two to one.

Selectman Huntoon, who nominated Lombard, said of the other two candidates, Jimmie Price and Charles Johnson (both industrial employees), that "we (the town) don't operate the way industry does in the way benefits and other structures are designed. I feel the one thing we are lacking is empathy for the town employees," said Huntoon.

Selectmen Chairman DeCosta seconded Huntoon's motion to nominate and voted in favor of Lombard. Selectman Frank Suzan opposed. Suzan said he preferred Jimmie Price and cited his extensive background in wage and salary administration.

On another Personnel matter, a letter was received from Beverly Posiviata, chairman of the Personnel Board, in which she questioned the status of Barry Haskell, Recreation Director. She asked for clarification on his duties. In her letter she said she spoke with Haskell on June 10th, at which time he told the Personnel Board he has been and indicated he will continue to oversee the Mattapoisett Town Beach activities and that he works for the Board of Selectmen. She informed Selectmen this has never been part of the Recreation Director's responsibilities. "It was our (the Personnel Board's) understanding the responsible board was the Recreation Commission."

Chairman DeCosta noted Haskell has prepared a description of his new duties and will submit them to the Personnel Board.

mittee, expressing concern that the town will no longer contribute to the Plymouth County Retirement Fund for Chapter One employees. She noted there are four employees and the cost is over $600. This year the cost is three percent of gross wages; next year, six percent and the following year, nine percent.

In the past, the letter noted, the Town has made this contribution and the School Committee assumed an agreement was reached. The Committee was surprised to receive from Kathleen Briggs, Town Treasurer, a notice that the town will no longer contribute to the fund. Mrs. Driscoll wrote, "with the projected decreases in the federal effort to fund Chapter One, we will have to review the Program structure. This is a valuable program for helping students who have difficulty keeping pace with their peers. We request the town continue its contribution so that the program will not be cut."

Selectmen voted to go along with Town Counsel Fleming's opinion that grant money should be used, such as is done in the towns of Marion and Rochester.

RECEIVED A LETTER of thanks from Louis F. Vaudry, Jr., secretary of the Reservation Golf Club, Inc., extending its appreciation on the rapid response of the Fire Department in preventing a much greater loss at the March 9th fire at the club on Reservation Road. The secretary noted damage to the building was $20,980.77 and to the contents $2,556.50, for a total damage of $23,537.27.

WERE INFORMED by the Board of Health that the members have signed an extension to September 20th of the rubbish contract with Oxford Rubbish of Fairhaven. The extension was agreed upon rather than the full three year contract because there is potential litigation with the contract stipulations laid down by the state.

GRANTED THE TOWN OF FAIRHAVEN an easement to place poles across Mattapoisett land following the vote that was taken at the annual town meeting to allow the Selectmen to grant the easement. DeCosta noted the Mattapoisett Planning Board also gave its approval. The poles will go on the land chosen with stronger lines rather than down Tinkham Lane because that street has house-type, less-power lines.

On a separate issue concerning Fairhaven, Huntoon questioned if "we, as a Board, have ever formally requested from Fairhaven that water be extended to the new complex being built on Route 6." Huntoon said it makes more sense to put water in there now. The board agreed to advise William Nicholson,

water/sewer superintendent, before the board sends a letter to Fairhaven requesting their consideration.

HEARD A REPORT from Huntoon on a recent ORR District School Committee/Union School Committee meeting in which he said he felt the chairman of the Union School Committee had no business directing the local committee on what to do. Huntoon said he feels "we shouldn't be picking up any more than our share of the superintendent's salary and her clerk as part of the Union's budget."

The board agreed to ask Town Counsel to write a letter to the Union School Committee asking what is their authority and what costs "we should be liable for"; also, has a precedent been established as to authority, the Selectmen want to know. All members noted they do not favor regionalization of the elementary schools and this fact seems to be creeping into the Union's authority.

Rochester Seniors

ANNUAL PICNIC AND AUCTION

The annual picnic of the Rochester Seniors will be held Monday, July 14th, at the Acushnet Girl Scout Camp. A chicken box lunch will be catered by "The Hen House" in Acushnet. The drink will be a delicious punch made by Estelle Bergeron. There will also be ice cream and a large anniversary cake to honor all couples who are celebrating their 25th, 50th or higher anniversaries in the year of 1986.

Anyone who wishes to attend and has not signed the attendance sheet must call Kay Settle at 995-1971 by Wednesday, July 9th, to insure that the correct number of lunches will be ordered. An auction will follow the luncheon.

Please remember to bring your own folding table and chairs. It will also be appreciated if each person attending would bring something to be sold at the auction.

Vial of Life Month

IN MATTAPOISETT

The Vial of Life Program consists of an empty medicine bottle, information form and stickers. The purpose of the program is to have a central place (right top shelf of the refrigerator) where residents can leave information about themselves (emergency contacts, medical history, medications currently being taken) for police, the fire department and Emergency Medical Personnel. This program was reinstituted in Mattapoisett last summer. It is essential that the information be updated as necessary, so we have designated July as the month to remind residents to check the accuracy of the information. We are also making the Vial of Life packets available to residents who would like to become involved. You can obtain your packet at the Council on Aging office Monday through Friday 9:00 a.m. to 1:00 p.m., at the Public Health Nurse's Office Mondays and Thursdays 9:00 to 11:00 a.m., and at the twice monthly Blood Pressure Clinic (July 9th, 1:00-3:00 p.m. and July 16th, 5:30-7:30 p.m.) held at the Legion Hall. If you are homebound please call the Public Health Nurse Mondays or Thursdays 9:00-11:00 a.m. at 758-6526 to

Registration is continuing for the Summer Reading Club's "Space Invaders", at the Elizabeth Taber Library, Marion. The club is open to all children going into grades 1-6.

PRE-SCHOOL STORY HOUR

Pre-school story hour for ages 3-5 will be on Wednesday, July 2nd, at 1:30 p.m. at the Elizabeth Taber Library. The theme for this week's story hour is "Fishes".

Attention Local Artists

YOUNG PEOPLE & ADULTS

The Mattapoisett Arts Lottery Council is sponsoring an Art Exhibit in conjunction with the Mattapoisett Library Craft Demonstration on Saturday, August 16th, 10 a.m. to 4:30 p.m. on the Town Library grounds. Rain date will be August 17th, 10 to 4:30. All permanent and summer residents of Mattapoisett, Marion and Rochester are invited to submit (a maximum of) two paintings.

All art work must be framed and wired for hanging, and the maximum size is 16" x 20" before framing. All media will be accepted, including photography. There will be no sculpture.

There will also be a junior art show for children ages 6-14 for Mattapoisett residents only, including summer vacationers. This art work does not need to be framed but can be matted if you wish. The theme will be "Vacation at the Seashore".

All work must be submitted at the Library on Friday, August 15th, from 6 to 9 p.m. and must be picked up by 6 p.m. the day the show is presented.

Please return the coupon below to Janet Young, 5 Holly Lane, Mattapoisett, if you would like to participate.

at its usual location, Shipyard Park, as part of the Harbor Days Festival. The major event for Saturday will be the Triathalon, with a new format, while on Sunday, two Bike races will be staged.

This year's Triathalon changes from a bike, row and run format, to a bicycle, swim and run type. Also, the major portion of the event will be conducted around the village in the vicinity of the Festival. The entries are limited to 50 and may be in the form of a team or as an individual. If entered as a team, the number is three with a combined age of 60 years, and at least one female.

On Sunday, the bicycle race has been divided into two sections. Each race is limited to 50 entries. A Novice race of 5 miles (once around the course) will be held first, followed immediately by the 10 mile open race.

A major change for this year is that the

What you and she have in common.

The Statue of Liberty's monumental form is taken from the likeness of the human body in posture and in bearing. Both are beautiful; both are subject to structural problems.

The lady of liberty has gone through her period of pain and is now being brought back to health with structural renovation. To support the effort, cooperating doctors of chiropractic throughout the U.S. are contributing funds through the American Chiropractic Association.

Just as the Statue of Liberty fell into disrepair, so health can deteriorate if you do not follow a preventive maintenance program.

Please, for the sake of your health, stop in our clinic for periodic examinations.

committee membership is too low due to members moving out of town and to personal commitments to attempt a 5th Annual Country Festival.

The Country Festival is held each Labor Day weekend and is enjoyed by the residents of the town and local communities. We will hold the 5th Annual Festival if we can get the help.

The Festival Committee needs you! Can you give us some of your time and/or expertise in the many areas such as Program, Publicity, Games, Contests, Entertainment or just a hand putting the festival together? If you can please call Secretary Harry at 763-5619 and offer to help. Please do it today! We do not have much time left between now and Labor Day.

fourth grade class at Old Hammondtown School visited the Town Hall in conjunction with their unit on local history. After Selectman DeCosta spoke to the children in the conference room, the children had a tour through the various offices. They came away with a better understanding of how our local government operates. The children were quite impressed with how Mattapoisett provides for its elderly and veterans of war. They also enjoyed finding their homes on the assessors' maps and seeing the old records in the vaults.

The field trip to the Mattapoisett Town Hall proved to be a very rewarding learning experience.

Pesticide Study, Marion

MASS. PESTICIDE BOARD EXPERT SPEAKS AT MARION

Speaking before the Marion Pesticide Study Committee meeting in the Marion Town House on June 24th, Dr. Dwight Peavy, a bio-chemist on contract to the Massachusetts Pesticide Board, said that by 1990 the use of pesticides in Massachusetts will be reduced by 25%.

Dr. Peavy said that the year 1960 was the beginning of the "green revolution" marking

an increase in the use of pesticides mainly, fertilizers and herbicides to maximize production and that it has ended up in the ground water people drink. He stated that up to now there has been no long range program on pesticides and that hearings and studies are to be made on posting and the consideration of having only licensed certified professionals use dangerous products.

The Mass. Interagency Pesticide Task Force as of May 1986 has published an extensive report on Pesticides and Drinking Water: A Public Information Package which deals with health effects and chemicals, Dr. Peavy reported. He said the Mass. Department of Public Health Division of Environmental Epidemology and Toxicology will answer questions on various chemicals for citizens who call 617-727-2660.

Dr. Peavy said the greatest pollutant we have today comes from petroleum products as they are used as a vehicle for many chemicals. Their wide-spread use on lawns, golf courses and by municipalities was cited. He said that government agencies must constantly weigh the risks with the benefits and that there are 34,000 products made from 600 active chemicals involved and to be tested and controlled. These fall into two categories - those that are general such as household bleaches etc. and restricted or those that must be certified and can be bought only by authorized persons. To afford protection for workers there is a "right-to-know-law" and "Material Data Safety Sheet" to identify dangers. Dr. Peavy stressed that all labels of any chemical whether used at home or commercially should be carefully read and that some household products are very dangerous if mixed together.

ice and one soda vending machine to be placed under the marine store and shall be subject to appropriate protection from the elements to maintain the equipment in excellent condition. Also granted was the sale of marine fuel, subject to certain conditions. Such as, the underground tank to be selected so there is no pollution of the sea water, area wetlands or area wells should a leak or spill occur; that the tank and lines and pumps shall be monitored and in compliance with all state, federal and local rules, and installation plans shall be reviewed by the Mattapoisett Board of Health, Conservation Commission, Board of Selectmen, and Fire Chief; protective measures shall be installed around the tank's filling area to prohibit any spillage and any spills shall immediately be cleared from the area; area around the fuel pumps shall be asphalt and protective measures around the tanks. Also that refuse receptacles shall be available throughout the premises and shall be emptied bi-weekly.

A request by the Ringuettes to increase the number of boat slips from 75 to 150; to repair not more than 12 boats; and launching and hauling of boats was denied.

A second petition heard on May 15th was from Robert G. and Kathleen B. Wood, 10 Water Street, who sought to change the tenancy for the Pure and Simple store located on the first floor of 10 Water Street to Thomas E. Strawn. This was granted on June 13th with several stipulations.

There is to be no change in any existing signs; one overhanging in front of the store and a flat sign on the front of the building. There are to be no signs in the window at the rear of the building facing the wharf area or attached to the rear of the building. Any further changes in tenancy will require a new hearing before the Board of Appeals.

Dragos stated that the age level for Farm League is from seven to eleven years of age. The Rochester Farm League consists of four teams: the Bears, Red Jays, Pirates and the champions the Cubs.

Playing for the Cubs were: Greg Cambra, Chris Carey, Sean Graves, Mason Johnson, Matt Teser and Aaron Williams, all sixth graders; Julie Gerrior, John Poyant and Dean Russell, third graders; Casey Cutler, Scott Dragos, Danielle Graves and Kami Medeiros, all fourth graders.

Coach Dragos said the home run leaders were Kami Medeiros and Scott Dragos but hastened to add that the whole team played "heads-up" ball that enabled them to win the championship.

The winners and their parents enjoyed a picnic in celebration of their win.

There are two tests you need to consider to see if you are eligible for food stamps. 1) The asset test, and 2) the income test that applies to your household.

Assets are things you own, like cash you have in the bank, stocks, or savings bonds. Your home, the land it is on, furniture, an automobile if it is worth less than $4500 and many other items do not count as "assets" for food stamps. To get food stamps, assets must not exceed $2,000 for most households and $3,000 for households of two or more persons where at least one person is 60 years of age or older.

In determining income all the money that you or other members of the household earn plus any money you or members of your household receive on a regular basis such as social security, pensions, child support, veterans' benefits and similar payments must be added together before taxes or household expenses and must be less than the "gross income" limits.

# of persons in Household	Monthly gross income limit
1	$569
2	764
3	959
4	1154
5	1399
6	1544
7	1739
8	1934

For households that have elderly or disabled members, the gross income is reduced

New Emergency Response

TOBEY HOSPITAL
ANNOUNCES LIFELINE

Beginning in June, the Emergency Response System, LIFELINE, is available to area residents. With LIFELINE, elderly and disabled persons can choose to live independently in their homes secure in the knowledge that help can be easily summoned.

When dialing the telephone for help may not be possible because of a fall or medical emergency, LIFELINE is your 24 hour a day link to assistance. Worn on your person, a lightweight, wireless transmitter signals help at the touch of a button. Wearing the portable help button permits you the freedom to move about your home or yard knowing help is at your fingertips.

Once a home unit has been attached to your telephone, you have a direct link to the Emergency Response Center any time, day or night. A push of the button will signal the center who, in turn, notifies a respond-

er chosen by you ahead of time (usually a neighbor who has access to your home). If needed, the Response Center will contact your local police and/or ambulance service. LIFELINE works even if your phone is off the hook or during a power failure. Your home unit also includes a timer, which if not reset, will notify the center. This ensures that even if you are unable to push your help button, assistance will be rendered.

LIFELINE for our community is sponsored by the Tobey Hospital Guild and coordinated by Tobey Hospital. Community residents Eugene Pursley and Andrew Tiernan, retired telephone company workers, have volunteered their services to install LIFELINE units in Wareham, Bourne, Rochester, Marion, Mattapoisett and Carver, the towns served by the Hospital.

To learn more about LIFELINE for yourself or a loved one, please call Tobey's LIFELINE coordinator, Barbara Smith, at 295-0880, extension 334, or the Public Relations Office at extension 206. LIFELINE costs the subscriber $25. per month.

Letter to the Editor

Soon we will view the celebration of the restoration of the STATUE OF LIBERTY in New York harbor, because of the concerted effort of millions of Americans - school children, merchants, and patriotic organizations representing the young and old.

It was Frederic Bartholdi, a Frenchman, who was not only the sculptor but also collected contributions from the French in his personal enthusiasm to commemorate the alliance of France with the U.S.A. during the AMERICAN REVOLUTION. The pedestal of the statue was paid for by the people of the United States as was the restoration work now.

Mr. Bartholdi used his mother as a model and made a 9 foot case of plaster and then enlarged it later to 30 feet. The frame-

work of 4 huge supports was designed by the man who designed the Eiffel Tower.

The statue weighs 225 tons - there are 167 steps from land level to the top of the pedestal, and 167 steps inside the statue to the head, and 54 rungs on the ladder leading to the arm which holds the torch. Only 30 people may enter the head, but not the torch which is always lighted at night.

The enormous size of the Statue is better visualized by these facts: length of head, 305 feet; index finger, 16 feet; length of nose, 4½ feet; and eyes, each 26 feet; the head from chin to top is 17 feet.

This statue has given joy and inspiration not only as a welcome to our millions of immigrants but also to returning servicemen from our wars and those who vacation abroad as well.

God bless all who helped fund its restoration, and also re-educate all of us, even our children and grandchildren as to why it is still revered and loved. Happy Birthday America, The Beautiful.

"THE WIZARD OF OZ" STAGED BY THEATRE ONE'S CHILDREN'S WORKSHOP

On July 19th and 20th at 1:30 p.m. Theatre One's Children's Theatre Workshop will be presenting "The Wizard of Oz" at the Nemasket Grange Hall, Route 105, North Main Street in Middleboro.

Blown to the Land of Oz by a Kansas cyclone, Dorothy and her little dog Toto are at a loss to know how to get back home. Wearing the magic slippers which she has earned quite unexpectedly, and protected by the kiss of the Good Witch of the East, Dorothy goes in search of the Wizard of Oz, in hope that he can solve her problem. On the way, she picks up some delightful new friends, who join her in seeking out the mighty Wizard.

Come on down and join the fun at Theatre One on July 19th and 20th at 1:30 p.m.; $3.00 adults, $2.00 for children.

Everybody knows the story -- it's a great fantasy and a wickedly amusing show. For further information call Theatre One in Middleboro, where you also can receive information on the upcoming Children Theatre Workshops; 947-1880.

Barney Zeitz and his brothers built the theatre with the intention that it be bigger and better than the other sixteen theatres in the city. Zeitz said, "From top to bottom, everything in and about the Zeiterion is the best money could buy, down to the smallest detail. If there is anything we have overlooked, it certainly had not been because of any expense in having it, for money has been no object." The Zeiterion opened April 2, 1923 with "Troubles of 1922" written by and starring George Jessel, but by September it closed briefly. Shortly thereafter, it reopened as the State, a silent movie house.

In 1971, the State was modernized. Marble walls were covered with wood paneling, chandeliers were removed, contemporary seats replaced the original leather and black paint covered the ivory and old rose. On December 31, 1981 the Penler Brothers of Paragon Travel donated the theatre portion of the building to the Waterfront Area Historic League (WHALE) and restoration began. Today, the 1,267-seat theatre has been restored to its original grandeur and hosts live performances from a variety of categories, including jazz, classical and contemporary musicians, Broadway musicals, dance, and children's programming.

The tour begins in the lobby, which, like the rest of the theatre, is an adaptation of the Georgian Revival style, and will continue into the theatre itself. On its opening in '23, the Morning Mercury described the auditorium as "Impressive in its beauty...Extending around the walls below the ceiling is a frieze ornamented with Grecian dancing figures...Upon the ceiling, just in front of the proscenium arch, is a picture in a large oval, representing a sun-

Coming to Zeiterion:

SUMMER YOUTH THEATRE FESTIVAL

The Zeiterion Theatre, in downtown New Bedford, announced a full line-up of summer youth programs to begin on Wednesday, July 9th, and continue every Wednesday through August 6. The series will feature five outstanding professional touring children's theatre companies.

Opening the series on a patriotic note is A YANKEE DOODLE DANDY on July 9th, followed by LADY LIBERTY, a celebration of the statue's centennial on July 16; SNOW WHITE on July24, RUMPELSTILTSKIN on July 30, and THE SORCERER'S APPRENTICE AND OTHER MAGICAL TALES, featuring puppeteer Marshall Izen, on August 6. All shows are at 10:30 a.m. with general admission tickets priced at $4.00. Series subscriptions at $15.00, a 25% savings, are also available up through the first show. Both single and subscription tickets are available at the Zeiterion box office, 994-2900. Single tickets may also be purchased at all Zeiterion ticket outlets.

A YANKEE DOODLE DANDY is a toe-tapping, hand-clapping, flag-waving musical about George M. Cohan, the famous American actor, composer, playwright, director and pro-

ducer. The songs and dances interspersed throughout the play are upbeat and exciting, climaxing in a big finale of well-known Cohan hits - "Yankee Doodle Dandy", "Give My Regards to Broadway", and "Grand Old Flag".

A buoyant and stirring musical celebrating the centennial of the statue, LADY LIBERTY portrays the ideals of freedom, opportunity, and refuge which this nation represents. Telling the story of a typical turn-of-the century immigrant, young and old are moved by this tribute to America and to the immigrants who have helped to make it great.

The Gingerbread Players and Jack return to the Zeiterion stage with their charming musical version of SNOW WHITE. It's an enchanting tale that has captivated the hearts of millions, an age-old classic filled with music and costuming.

Who in the world could spin straw into Gold? Not the king, not the miller's daughter, not anyone except the magical, mysterious elf called RUMPELSTILTSKIN. The Fanfare Theatre Ensemble has spun a story filled with humor, mystery, and song, not to mention the magical spinning done before your very eyes.

Many will remember Marshall Izen and his fascinating puppetry from last summer. He returns again by popular demand with a different show entitled THE SORCERER'S APPRENTICE AND OTHER MAGICAL TALES. With magic as its theme, this show includes large paper bag puppets in an African folk tale - and Izen himself as the Sorcerer in the famous Goethe tale set to Dukas' music. A multi-media show, and during the performance Izen demonstrates how to make many of the puppets he uses.

He has been cruising to and photographing these scenic locations for over 35 years. Watercolors of these places, painted by his wife Mary, will also be on display for the lecture.

Glass Museum

TWO MAJOR DONATIONS RECEIVED

The New Bedford Glass Museum this week unveils two objects of rare value, recently donated to the NBGM by separate benefactors.

A signed Pairpoint lamp, dating from 1895 to 1900, is the gift of Mr. and Mrs. Billy Hitt of Tennessee. The lamp's scenic decoration is the work of Frank Guba, one of Pairpoint's master glass decorators, active from 1891 to 1932. The scene depicted is the "Garden of Allah", a pattern that typifies the 19th c. Ameri-

history is the small bowl given to the NBGM by The Sandwich Glass Museum, Sandwich, Mass. The unique bowl represents the experimental work conducted by Frederick Shirley, manager of the Mount Washington Glass Co., in the early months of 1886. Shirley had perfected his heat-sensitive Burmese glass formula in 1885, and was experimenting with a color variation which

can "Egyptian revival" fashion. The scene dates the lamp as an early Pairpoint "electrolier", since the fashion for Egyptian motifs peaked in the 1880s, and waned by the century's end. Although the exact year is not known, it was believed that the Pairpoint Corporation (of New Bedford, Mass.) was among the first American manufacturers of electric lamps.

Mr. and Mrs. Hitt have given the lamp to the Glass Museum in honor of Dr. Emil Guba, Frank Guba's son. The Hitt Collection is among the finest private collections of American art glass in the United States.

would be patented as "Peach Blow" in March 1886. This small bowl (3 3/4" diameter) is the only known example of the bluish Peach Blow being applied as decoration to a pink and yellow Burmese body. Since both were "heat-sensitive" glass, and therefore extremely brittle and unstable, the experiment failed; the Sandwich bowl is riddled with stress cracks dating from the moment it was created. Although exquisitely thin and fragile, the bowl remains as a key example of the most creative period in the Mount Washington firm's long history.

In accepting the bowl from the Sandwich Museum, New Bedford Glass Museum Director Janie Chester Young praised "the great al-

FLOWERS OF CAPE COD

"Rare and Unusual Flora of Cape Cod", a slide presentation by Bruce Sorrie of Massachusetts Natural Heritage Program, will be offered at the Green Briar Nature Center on Wednesday, July 9th, at 7:30 p.m. Admission is $1.50 for members of the Thornton W. Burgess Society, $2.00 for non-members, 50¢ for children under 12.

A series of slide presentations on natural history and faraway lands is scheduled for Wednesday evenings at the nature center throughout the summer. Green Briar is located on Discovery Hill Road (off Route 6A), East Sandwich. For further information call 888-6870.

DAYS OF WHALING

"Wooden Ships and Iron Men", a slide presentation by Barnstable teacher Dave French, takes you back to the days of whaling using historic slides from the collection of the Thornton W. Burgess Society. The program will be shown on Friday, July 11th, at 7:30 p.m. in the Sandwich Elementary School, Route 130, Sandwich. Admission is free to all.

Following the program, the Burgess Society will introduce the first of the new Marine Mammal Cup Plate Series - the Humpback Whale. This special plate, which features a mother Humpback and her calf, is designed to promote concern for "these gentle giants of the sea".

WHALE OF A WEEKEND

Come join the fun on the lawn of the Thornton W. Burgess Museum, Route 130, Sandwich Village as the museum celebrates "a whale of a weekend" on Saturday and Sunday, July 12th, and 13th. Activities for children on Saturday include a story-

time at 1:30 p.m. followed by some special fun until 3 p.m...a bubble bonanza! Blow, bounce, pop, chase and play with bubbles. What do bubbles have to do with whales? Visit the museum exhibit to find out and also to use the bioscope to examine some of the small creatures of the sea.

The theme of the weekend is to promote concern for whales and to provide an opportunity to learn more about our marine mammals - sometimes rare, sometimes elusive, but always fascinating members of the coastal environment. Hours are Saturday from 10 a.m. to 4 p.m., Sunday from 1 to 4 p.m. Admission is by donation.

WOODCARVING EXHIBIT & SEMINARS

WOODCARVING EXHIBITS AND SEMINARS conducted by the New England Wood Carvers will be held on Saturday, July 12th, from 9 a.m. to 5 p.m. in the Sandwich Elementary School, Route 130, Sandwich. The work of about two dozen woodcarvers will be on display and four 90-minute seminars given by acknowledged experts in woodcarving: "Painting Decoys" from 9:30 to 11:00 a.m.; "Carving Song Birds" from 11:30 a.m. to 1 p.m.; "Carving the Human Form" from 1:30 to 3 p.m.; "Sharpening Carving Tools" from 3:30 to 5 p.m.

Admission to view the exhibit is free. Admission to the seminars is $3.00 each or $10. for all four. Tickets will be available at the door. Woodcarvings and carving materials will be for sale and refreshments

PASSES HALF WAY MARK TOWARD CAPITAL CAMPAIGN

The Rotch-Jones-Duff House & Garden Museum, located at 396 County Street in New Bedford, reports the accumulation of pledges amounting to over one-half of the Campaign goal of $500,000. The Campaign, launched at the end of March 1986, is under the leadership of General Campaign Chairman Christoph H. Schmidt, President of the Fairhaven Savings Bank, and Honorary Chairman Sarah R. Delano.

The Capital Campaign, with the theme "Enrich Our Community", has four specific goals: completing the purchase of 396 County Street, restoring the historic landscape and Victorian Garden, furnishing and preserving the house, and beginning an endowment.

A strong financial commitment was first made by the Board of Trustees and incorporators of the House & Garden Museum. Individuals and corporations are now being solicited. To date, $270,000 has been pledged.

In July, a community-wide effort will commence and all will be invited to participate in giving to the Rotch-Jones-Duff House & Garden Museum Capital Campaign.

For further information, call 997-1401.

show that airs weekly over Boston's WGBH Radio. The 90-minute broadcast explores the vast archives of early recorded jazz. Smith has had an ongoing romance with the music of the roaring 20s. Formerly a member of the New Black Eagle Jazz Band and the Yankee Rhythm Kings, Smith has also been a drummer since 1966. He organized the Paramount Jazz Band in the early eighties and has staffed it with musicians who have a wide range of talent and experience. The Band draws its music from more than 60 years of American jazz and popular music and present it with an apparent love and instinct that is a joy for audiences of all ages.

One O'Clock Jump returns to Heritage Plantation this summer by popular demand. The Band created a furor when they performed on the outside concert green last summer.

Leader Jim Girard, dressed in a 40-ish suit, is the most visible of the group. Not only is he the best singer but is also a versatile instrumentalist. Kate McGarry, the unit's other lead vocalist, is a marvelous scat-singer and does a superb job singing lyrics on upbeat songs. Bassist is Robert Thatcher, whose father Benjamin Thatcher is responsible for several of the revamped lyrics used by the group. Dan Klemmer plays drums and Rick Britto, who undertook piano study only six years ago, is the group's keyboard player, so-

All of the members of the band grew up with roots in rock 'n' roll and contemporary jazz. The local swing vocal group has been making its mark with hits from the 30s and 40s like "Chattanooga Choo-choo" and "Don't Sit Under the Apple Tree".

They pack places like the Regattabar in Cambridge and the Copley Plaza in Boston. The Band has worked with Artie Shaw and the Count Basie Orchestra, and their new album will soon be released.

Membership and admission tickets for the day will be honored for these shows and will include admission to all of the Museum buildings, exhibitions and grounds.

Tickets are $5. for adults, $2. for children under 12, children five years of age and under are free.

Heritage Plantation

"Summer Symphonies" is a collection of recent etchings, monotypes and drawings by Eastham artist and printmaker Joyce Gardner Zavorskas. It is the second of five rotating exhibitions at Heritage Plantation. The limited edition show opened June 22nd and will run through July 13th in the lower gallery of the Shaker Round Barn.

Ms. Zavorskas has been creative from an early age. Her formal art training commenced with her B.F.A. from Syracuse and continued at Carnegie-Mellon, Massachusetts College of Art and Bridgewater State. Through independent workshops, seminars and travel, the artist refined her graphic techniques under the guidance of such notable printmakers as George Nama, Paul Maguire and Beverly Edwards.

She still prints each of her etchings by hand on a one-ton printing press, using rag paper and up to five copper plates. The prints are made with up to 20 different colors. It is a painstaking and time-consuming process which has rewarded Ms. Zavorskas with top honors in shows in Massachusetts and a place in the Contemporary American Printmakers Show in Philadelphia.

Ms. Zavorskas has perfected a technique which captrues the soft colors of the Cape Cod landscape. What is immediately apparent upon viewing her work is a love for the

colors and shapes of the sea and marsh. She maintains a freshness through much of her work which allows for experimentation, development of a theme, and some fun. Her amusing "sandwich series" of prints depicts in a slightly stylized form the cutaway layers of luncheon fare such as "bacon, lettuce and tomato with cheese to go" and "peanut butter and jelly on rye". Ms. Zavorskas recently did a London show and created a composition based on steak and kidney pie. Ms. Zavorskas gives lecture-demonstrations in printmaking to public and private organizations.

Each Thursday evening in July and August the Rotch-Jones-Duff House & Garden Museum will host "Music in the Garden" from 6 to 8 p.m. Each concert is sponsored by an area business or corporation in order that there be no admission fee. Music ranges from jazz, pops and big band. The public is invited to bring picnic suppers and enjoy the Victorian period rose garden. All ages are welcome.

The Rotch-Jones-Duff House & Garden Museum is a private, non-profit organization dedicated to offering educational exhibits and programs that reflect the horticultural and architectural heritage of the House and Garden museum.

Call 997-1401 for further information.

lections, participants will discover how birds are built, what feathers are and the differences between short and long beaks. The Museum grounds will be the site for bird watching as participants observe the behavior of birds and learn to recognize their sounds.

Pre-registration and a $5.00 deposit is required for this workshop. The Children's Museum is located at 276 Gulf Road in South Dartmouth. Free parking and outdoor picnic facilities are available on the Museum grounds.

For additional information please call the Museum at 993-3361.

LEARN TO BE A MAGICIAN

"THE HARGRAVES" will present A LESSON IN MAGIC at the Children's Museum in Dartmouth on Wednesday, July 9th, at 2 o'clock in the afternoon. This is the first in a series of Special Summer Performances to be held at the Museum. Cost of the performance is $1.00 and includes Museum admission.

"THE HARGRAVES" appeal to the magic in all of us and especially to the imagination of those children who wish to be magicians and create their own magic. "THE HARGRAVES" encourage members of the audience to assist them in their flight of fancy.

The children are an integral part of every performance as they assist with the appearing and disappearing rabbits, doves, guinea pigs and goldfish.

INKLE WEAVING

Try INKLE WEAVING at the Children's Museum and learn to dress and operate an inkle loom, a loom on which narrow bands are woven. Four weekly sessions will be held on Wednesday mornings, July 9, 16, 23 and 30, from 9:30 to 11:30 for children ages 9 and up. Cost of the classes which includes all 4 sessions is $25. for members and $30. for non-members. Pre-registration and a $5. deposit is required as enrollment is limited to 6 participants.

Participants will weave a unique belt and experiment with small bands. Instructor of this course is Mary Ellen Nochimow, proprietor of Womihcon's Weaving Workshop, specializing in children's textile classes, rag weaving, basketry and fabric design.
